### Work experience

2015 March - August

#### **Interactive Designer And Company**

Los Angeles (U.S.A.)

This internship allowed me to improve my English, step outside my comfort zone, and join a large communication agency.

- Dynamic website design
- Advertising
- Motion Design
- English

2017 - 2019

#### **Founding Designer Safething**

La Roche sur Yon (France - 85)

As the only designer, I set up discussions and workshops with the developers to learn about their constraints and propose a realistic app.

- Prototyping
- User testing
- Facilitation workshops
- Mobile app UX/UI
- Website design and development
- Motion design
- AGILE

2019 - 2020

#### **Art Director JESPD Bénin**

Porto-Novo (Bénin)

During my civic service, I led teams of two people to represent Benin on international social and educational projects.

- Visual identity
- Photography
- External communications
- Website design and development
- Project management

2020 - 2025

#### **UX/UI Designer Ocode**

Nantes ( France - 44)

From identifying needs to creating mock-ups, I work on B2B and B2C platforms, while supporting UX/UI designers on work-study programs.

- Analysis of existing systems
- Prototyping
- Personas
- Listening to users
- Proactive proposals
- Websites & apps
- Multi-platform management
- Team support
